 - liming46@mail.sysu.edu.cn
- 2 lectures per week + 1 recitation class
 - In recitation class, bring laptop for the demo

Course webpage, Registration Etc.

- Course webpage:
 - <http://elearning.sysu.edu.cn/>
 - Slides and handouts will be posted here
 - Discussion
- All notices will be posted on the e-learning system

Grading

- Attendance is compulsory (10 points)
- 7 projects, each 10 points (70 points)
- 1 final contest (20 points)
- Grading: Relative, with bounds
 - Anyone not completing 50% of assignments automatically gets a D
 - This means everyone can get a “D”
 - Anyone successfully completing all projects and final contest gets an “A”
 - This means everyone can get an “A”
 - Between these bounds, we will use a relative scale
 - Based on histogram of scores

Team work

- Projects
 - Suggest 2 students each team
 - Send me your choice before Thursday
- Contest
 - Suggest 1 students each team
